Pediatrician in Action Funds

Apply for funds to improve child health in your community. Awarded Funds have recently been used to create safe zones for emotional regulation for in an elementary school, increase childhood immunizations in the Afghan immigrant population in western Kansas, and provide the opportunity for children to express them self artistically. Take this opportunity to make an impact in an area of child health that you are passionate about impacting. Applicants must be a current member of the Kansas Chapter of the American Academy of Pediatrics to be eligible. Please complete the form below and finish application by summarizing your project utilizing the prompts at the end of the application. Applications must be submitted electronically by March 31, 2024, Michelle Horst, michelle.horst@kansasaap.org.

As the primary contact pediatrician, I describe myself as a(n):

- Practicing community-based pediatrician
